E4803200	3	4	3200	277/480	\$949.00

For demand versions of the above meters, place the suffix "D" at the end of the part number and add \$189.00 to the price.

EXTRA CURRENT SENSORS (Each meter kit has it's own correct number of split core sensors.)

CS100	100A split core	Set of 3	\$199.00
		Individual	\$67.00
CS200	200A split core	Set of 3	\$199.00
		Individual	\$67.00
CS400	400A split core	Set of 3	\$199.00
		Individual	\$67.00
CS800	800A split core	Set of 3	\$265.00
		Individual	\$89.00
CS1600	1600A split core	Set of 3	\$265.00
		Individual	\$89.00
CS3200	3200A split core	Set of 3	\$325.00
		Individual	\$109.00

To order an individual sensor, prefix the part number with the letter "P".
To order solid core sensors (100 & 200A only), prefix part numbers with letter "S".

MULTIPLE METER UNITS (8,16, or 24 meter sizes available)

There is no additional charge for meters installed in MMU cabinets. For any blank spaces there is an additional charge of \$40.00 per space. This charge is refunded if the space is filled at a later date. If ordering, add an "M" suffix to each meter part number.
